

To Deposit holders

Second Interim Distribution to deposit holders in FE Investments Limited (in Receivership and in Liquidation) ('FEI' or 'the Company')

We recently emailed you to confirm that we are in a position to declare a second interim distribution to deposit holders.

This letter provides you with additional information about this second interim distribution.

The payment will be made by us on behalf of the Supervisor.

In accordance with the Trust Deed, we are providing you with 14 days' notice of the repayment. Payment will be made on account of principal moneys before interest (as the Supervisor has elected to do). Payment in the above manner will be deemed to be receipt of the distribution by you as Holder of the investment for the purposes of the Trust Deed.

If you have more than one investment with the Company, you should receive a separate email for each investment. Please contact us if you have not received an email for each investment.

This second interim distribution is being paid from the available assets on hand, which includes the cash at bank and assets realisations made to date. In calculating the second interim distribution, we have allowed for several factors, including costs incurred to date, estimated future costs and the fact that some deposit holders are yet to complete the confirmation process.

Incorrect bank account details

If the bank account is incorrect, please contact us by the fifth working day following the date of the email, by email to fei@calibrepartners.co.nz.

It is important that you make the subject of your email 'Change of bank account for payment'.

You will need to provide the bank account number to which you would like this interim distribution (and any future distributions) to be paid, together with bank generated evidence that this is your account (e.g. bank deposit slip). Any change in the bank account number needs to be authorised by all the owners of the relevant shares.

If you change the bank account, your payment of the interim distribution will be delayed. We will advise you later of the date you will be paid.

Further distributions will be paid in the future as funds permit. At this stage we are unable to advise exact details of when the next distribution will be paid.

Should you have any queries, please do not hesitate to contact us by email to fei@calibrepartners.co.nz or by phone on 09 307 7865.

Yours faithfully
