1 Introduction

We advise that Neale Jackson and Grant Robert Graham were appointed Joint and Several Liquidators of the abovenamed Company by a resolution of creditors on 8 February 2017 under Section 241(2)(d) of the Companies Act 1993 ('the Act').

This report covers the six-monthly period, 8 August 2019 to 7 February 2020, and should be read in conjunction with all other liquidator and administrator reports issued on the Company.

3 Background

The Company was placed into voluntary administration on 25 October 2016. At the creditors' watershed meeting held on 8 February 2017, the creditors voted to place the Company in liquidation. A background to the Company and the voluntary administration can be found in the Administrators' Report to Creditors for the purposes of the joint Watershed Meeting available on our website (www.kordamentha.com).

This report addresses WNZL, the New Zealand trading entity for the Group.

The holding company was Wynyard Group Limited which is also in liquidation. The wider (consolidated) business incorporated subsidiary companies in Australia (WAU), Canada, the United Kingdom (WUK) and the United States. These subsidiaries are in insolvency administrations in their respective jurisdictions. We are not the administrators/liquidators of those entities.

The Company operated from offices in Auckland, Christchurch and Dubai. All matters dealing with operations in these locations have now been resolved.

4 Commentary

The key focus since our appointment has been to realise the remainder of the Company's assets. Please refer to our previous reports for more information regarding sale of assets to date.

In addition to the \$403,340 received from WAU, WNZL has now received an interim distribution of \$188,305 in respect of its claim against WUK. We are awaiting the WUK liquidator's confirmation as to whether a further distribution will be paid.

During the period \$985,464 was distributed to creditors. A final distribution will be paid to the Company's creditors when the position with WUK is finalised.

We have investigated the trading and financial affairs of the Company, including potential voidable transactions. To date we are not aware of any insolvent transactions and/or breaches of legislation occurring. Should any creditors have any information or any matter that they feel warrants investigation, please advise us in writing.
