

Wynyard Group Limited (In Liquidation) ('the Company') ('WGL')

Company No. 3692077

7 September 2018 | 10305

1 Introduction

We advise that Neale Jackson and Grant Robert Graham were appointed Joint and Several Liquidators of the abovenamed Company by a resolution of creditors on 8 February 2017 under Section 241(2)(d) of the Companies Act 1993 ('the Act').

This report covers the six-monthly period, 8 February 2018 to 7 August 2018, and should be read in conjunction with all other liquidator and administrator reports issued on the Company.

2 Restrictions

This report is not intended for general circulation, nor is it to be reproduced or used for any purpose other than that outlined above without our written permission in each specific instance. We do not assume any responsibility or liability for any losses occasioned to any party as a result of the circulation, publication, reproduction or use of this report contrary to the provisions of this paragraph.

We reserve the right (but will be under no obligation) to review this report and if we consider it necessary to revise the report in light of any information existing at the date of this report which becomes known to us after that date.

3 Background

The Company was placed into voluntary administration ('VA') on 25 October 2016. At the creditors' watershed meeting held on 8 February 2017, the creditors voted to place the Company in liquidation. A background to the Company and the voluntary administration can be found in the Administrators' Report to Creditors for the purposes of the joint Watershed Meeting available on our website (www.kordamentha.com).

This report addresses Wynyard Group Limited (WGL), the holding company for the Group.

The New Zealand trading entity was Wynyard (NZ) Limited (WNZL) which is also in liquidation. The wider (consolidated) business incorporated subsidiary companies in Australia, Canada, the United Kingdom and the United States. These subsidiaries are in insolvency administrations in their respective jurisdictions. We are not the administrators/liquidators of those entities.

4 Commentary

On liquidation the Company's primary asset was a related party receivable. WGL lodged a creditor's claim in WNZL's liquidation for \$171 million. As discussed in the prior report, the Liquidators sought directions from the court regarding admittance of this claim in the liquidation. On 31 May 2018, the Court held that the claim was admissible in its entirety. We can now confirm this will result in a distribution to WGL creditors. Subject to the final resolution of certain matters, we also anticipate there may be a very small amount of funds available to be distributed to shareholders.

WGL will not be in a position to confirm quantum and make a distribution until WNZL has resolved its outstanding issues, including claims against its subsidiaries in Australia ('WAU') and the UK ('WUK'). WNZL has submitted proofs of debt in the liquidations of WUK and WAU in respect of sums owing by the subsidiary companies to WNZL. The liquidators of WUK have requested further information which WNZL liquidators are responding to. As yet, the liquidators of the subsidiary companies have not confirmed that WNZL's claims have been admitted in the liquidations. We understand that WNZL is likely to receive distributions from the subsidiary company liquidations if its claims are admitted. We are not aware of any reason why the claims will not be admitted in due course.

The next steps in the liquidation will involve the Liquidators finalising all WGL creditor claims received in the VA and/or liquidation. If we require any further information to substantiate creditor claims we will contact you.

We confirm there are no further assets to realise, save the distribution from WNZL.

The Liquidators have investigated the trading and financial affairs of the Company, including potential voidable transactions. To date we are not aware of any insolvent transactions and/or breaches of legislation occurring. Should any creditors have any information or any matter that they feel warrants investigation, please advise the Liquidators in writing.

5 Shareholders

As a small distribution for shareholders is now foreseeable, we take this opportunity to request advice of any changes to shareholder details since the appointment of administrators in October 2016. If your contact or payment details have changed please send an email to us with the updated contact details to wynyardsh@kordamentha.co.nz. In the absence of any details advised to us, we will rely on the shareholder register details provided to us by the Registry as at the date of administration.

As per prior reports, we confirm the Company was delisted from NZX on 31 May 2017. Shares are no longer able to be traded during the liquidation without the consent of the liquidator or the Court.

6 Creditor claims

We have received \$423,088 of unsecured creditor claims which we will now review for distribution purposes. We are unable to estimate the amount of funds that may be available to unsecured creditors at this stage but there is a prospect of payment in full. Timing also remains contingent on related party administrations in other jurisdictions.

We also confirm:

- No Preferential claims have been received.
- No distributions have been made to any creditors to date.
- No valid creditor claims have been partially or fully rejected from Wynyard Group Limited.
- The closing date for creditor claims to be submitted was 3 March 2017. We do not anticipate receiving any further claims.

7 Statement of Receipts and Payments

A statement of receipts and payments for the period 8 February 2018 to 7 August 2018 is attached to this report.

8 Summary and estimated date of completion of liquidation

We estimate the date for the completion of the liquidation will be late 2019.

Should you have any queries regarding the liquidation of the company, please do not hesitate to contact Larissa Logan of this office.

Yours faithfully

Neale Jackson
