3 Commentary

- The Company was incorporated in May 1997 and traded as a finance company providing commercial and consumer loans. The Company traded from leased premises in central Auckland.
- Due to a breach of the Debenture Trust Deed, the Trustee appointed Receivers in order for the loans of \$8.2 million to be recovered and other assets (comprising two properties in New Plymouth and Cable Bay, a debtors ledger of \$396k and minor office furniture and equipment) to be realised.
- The Company's investors qualified under the Crown's Retail Deposit Guarantee Scheme. Treasury has confirmed all investors have been repaid.
- We have repaid \$1.8 million to the Crown to date.
- As at the date of appointment the preferential liabilities comprised employee holiday entitlements of \$8k (gross) which have now been paid. A preferential Inland Revenue claim has been received and \$48k has been paid.
- From the Company records and claims received to date, we estimate that the total unsecured creditor liability is circa \$161k. Unsecured creditors will not be paid.
- On 5 October 2012 all the Company's remaining assets (excluding cash on hand) were purchased by the Crown. The purchase price was paid by way of offset against the amount the Company owes the Crown (as a result of the payments it made to the Company's debenture holders).
- The Company continues to hold approximately \$1.14 million in cash which is presently subject to a dispute with another party and cannot therefore be distributed.
- Some people involved in the Company are being prosecuted by the Financial Markets Authority ('FMA'). We are assisting the FMA, as required.
