
Forestlands (No. 19) Limited (In Liquidation) ('the Company')

Company No. 3336650

3 October 2025 | 01143

1. Introduction

Neale Jackson and Grant Robert Graham ('Liquidators'), Licensed Insolvency Practitioners, were appointed Joint and Several Liquidators of the Company by order of the High Court, Nelson on 6 September 2018 pursuant to Section 241(2)(c) of the Companies Act 1993 ('the Act') on the application of the Financial Markets Authority ('FMA'). The Liquidators are also the liquidators of other related companies in the Forestlands group ('Forestlands Group').

We understand that prior to liquidation a solvency certificate was signed by the Company's director. We have not seen this but we believe the Company is solvent.

This is the Liquidators' 15th report. It covers the period 6 March 2025 to 5 September 2025 ('the Period').

The Liquidators' other reports, and other information relevant to the liquidations of the Forestlands Group companies, can be found on the Calibre Partners website: <https://www.calibreparters.co.nz/flx-creditor/forestlands-2-20/>.

3. Background

This report should be read in conjunction with other Liquidators' reports which can be viewed on the New Zealand Companies Office website at <https://companies-register.companiesoffice.govt.nz/>.

Background to the Liquidators' appointment and the actions taken since appointment are detailed in the Liquidators' previous reports.

4. Shareholder confirmation process

We appreciate the patience shown by shareholders as we work toward paying all eligible shareholders their share of the funds available in the liquidation.

As previously advised:

- A summary of the actions undertaken to establish an accurate share register are detailed in the Liquidators' previous reports.
- The most recent status of the shareholder confirmation process for this Company is as follows:

As at the end of the Period	% of shareholders	% of shares
Confirmation process completed	98	99
Missing information	2	1

- We no longer proactively locate or follow up incomplete shareholder information. We do not believe there are further steps that are practicable to take to locate shareholders who have not contacted us since the liquidation commenced.
- We will continue to process shareholder information that is forwarded to us and make catch up payments for eligible shareholders.
- The confirmation process has been time consuming. We believe that the approach taken was in the best interests of the shareholder group as a whole and ensured that we did not incur unnecessary costs.

5. Distributions to shareholders

The current position in respect of distributions is:

- No additional distributions were paid during the Period. As noted in the previous Liquidators' report, no further distributions to shareholders are expected to be made.
- In total, over the course of the liquidation shareholders have been paid \$1,100.98 per share.
- Details of previous distributions are summarised in our previous Liquidators' reports.
- We continue to pay catch-up distributions to shareholders as they complete the confirmation process.
- The last distribution was paid on 23 August 2024. Any unclaimed distributions remaining at the end of the liquidation will be paid to Public Trust as unclaimed monies.

6. Asset realisations

Background to the actions taken by the Liquidators in relation to the asset realisations process are summarised in our earlier reports.

The Liquidators confirm there are no further assets to realise.

7. Future distributions

As noted previously, a final distribution has been paid to shareholders and there is unlikely to be any further distributions.

8. Creditor claims

All known unsecured creditor claims have been reviewed, admitted, and paid by the Liquidators. Further information is available in the Liquidators' previous reports.

9. Statement of receipts and payments

A statement of receipts and payments for the Period is attached to this report.

10. Summary and estimated date of completion of liquidation

Following payment of the final distribution there are several steps we are taking to finalise the liquidations, which include:

- Filing all tax returns to the completion of the liquidation. Final returns will be completed at the end of the liquidation.
- Obtaining clearance from the Inland Revenue Department, which will only be given once all tax returns have been submitted.
- Paying over any unclaimed distributions to Public Trust (in accordance with the Companies Act 1993). This will be done soon, at the end of the liquidation. Following this any shareholder who believes they are entitled to a distribution that they have not been paid will need to contact Public Trust.
- Dealing with our final statutory requirements.

11. Liquidators' remuneration

As required by the Companies Act 1993, the Liquidators applied to the High Court for approval and fixing of remuneration for the period from 1 August 2023 to the end of the liquidation of the Company.

On 20 May 2025, the Court approved the liquidators' remuneration of \$10,379.94 (excluding GST) for the period from 1 August 2023 to the end of the liquidation of the Company.

The Liquidators have previously provided remuneration reports in each of their six-monthly statutory reports. Those remuneration reports record the remuneration in respect of the period that was the subject of the report.

Under s 284(1) of the Companies Act 1993, a creditor, a shareholder or certain other persons may, with leave of the Court, apply to review or fix the remuneration of the Liquidators at a level which is reasonable in the circumstances.

Should you have any queries regarding the liquidation of the Company, please do not hesitate to contact this office.

Yours faithfully

Neale Jackson
Joint Liquidator
