## Forestlands (No.14) Limited (In Liquidation) ('the Company')

Company No. 2092306

2 April 2026 | 01138

### 1. Introduction

Neale Jackson and Grant Robert Graham ('Liquidators'), Licensed Insolvency Practitioners, were appointed Joint and Several Liquidators of the Company by order of the High Court, Nelson on 6 September 2018 pursuant to Section 241(2)(c) of the Companies Act 1993 ('the Act') on the application of the Financial Markets Authority ('FMA'). The Liquidators are also the liquidators of other related companies in the Forestlands group ('Forestlands Group').

We understand that prior to liquidation a solvency certificate was signed by the Company's director. We have not seen this but we believe the Company is solvent.

This is the Liquidators' 16th report. It covers the period 6 September 2025 to 5 March 2026 ('the Period').

The Liquidators' other reports, and other information relevant to the liquidations of the Forestlands Group companies, can be found on the Calibre Partners website: <https://www.calibreparters.co.nz/flx-creditor/forestlands-2-20/>.

## 4. Shareholder confirmation process

We appreciate the patience shown by shareholders as we work toward paying all eligible shareholders their share of the funds available in the liquidation.

As previously advised:

- A summary of the actions undertaken to establish an accurate share register are detailed in the Liquidators' previous reports.
- The most recent status of the shareholder confirmation process for this Company is as follows:

As at the end of the Period	% of shareholders	% of shares
Confirmation process completed	96	98
Missing information	4	2

- We no longer proactively locate or follow up incomplete shareholder information. We do not believe there are further steps that are practicable to take to locate shareholders who have not contacted us since the liquidation commenced.
- We will continue to process shareholder information that is forwarded to us and make catch up payments for eligible shareholders.
- The confirmation process has been time consuming. We believe that the approach taken was in the best interests of the shareholder group as a whole and ensured that we did not incur unnecessary costs.

## 5. New Zealand Emissions Trading Units

During the Period, we were contacted by the Environmental Protection Authority ('EPA') to advise that it had an open account, registered in the Company's name, that held units.

We are currently taking steps to realise those units, which will likely lead to additional monies being available for distribution.

We will update shareholders on our progress as soon as we are in a position to do so.

## 6. Asset realisations

Background to the actions taken by the Liquidators in relation to the asset realisations process are summarised in our earlier reports.

The Liquidators confirm, other than above, there are no further assets to realise.

## 7. Distributions to shareholders

The current position in respect of distributions is:

- No additional distributions were paid during the Period.
- In total, over the course of the liquidation shareholders have been paid \$450.84 per share.
- Details of previous distributions are summarised in our previous Liquidators' reports.
- We continue to pay catch-up distributions to shareholders as they complete the confirmation process.

- 
- The last distribution was paid on 23 August 2024. Any unclaimed distributions remaining at the end of the liquidation will be paid to Public Trust as unclaimed monies.

## 8. Future distributions

As noted above, there is potential for a further distribution to shareholders. We are unable to confirm at this time the timing and quantum of this distribution. We will notify shareholders as soon as we are in a position to do so.

## 9. Creditor claims

All known unsecured creditor claims have been reviewed, admitted, and paid by the Liquidators. Further information is available in the Liquidators' previous reports.

## 10. Statement of receipts and payments

A statement of receipts and payments for the Period is attached to this report.

## 11. Summary and estimated date of completion of liquidation

Following payment of the final distribution there are several steps we are taking to finalise the liquidations, which include:

- Realisation of the units as discussed in section 5 above.
- Filing all tax returns to the completion of the liquidation. Final returns will be completed at the end of the liquidation.
- Obtaining clearance from the Inland Revenue Department, which will only be given once all tax returns have been submitted.
- Paying over any unclaimed distributions to Public Trust (in accordance with the Companies Act 1993). This will be done soon, at the end of the liquidation. Following this any shareholder who believes they are entitled to a distribution that they have not been paid will need to contact Public Trust.
- Dealing with our final statutory requirements.

## 12. Liquidators' remuneration

On 20 May 2025, the Court approved the liquidators' remuneration of \$12,604.99 (excluding GST) for the period from 1 August 2023 to the end of the liquidation of the Company.

The liquidators have approved fees of \$1,678.90 that remain outstanding. This will be taken prior to the end of the liquidation. We do not intend to claim any additional remuneration between now and the end of the liquidation.

Should you have any queries regarding the liquidation of the Company, please do not hesitate to contact this office.

Yours faithfully

Neale Jackson  
Joint Liquidator
